 <b>Order - Stormcast Eternals - Thunderstrike Stormcasts [110pts]</b>	
<b>Selection Rules</b>	
	<b>[Reaction] Thunderous Departure</b> : fighter can make this reaction when they are targeted by a melee attack action, after the damage is totalled but before it is allocated to this fighter, if it is enough for this fighter to be taken down. Allocate 06 damage points to their attacker. Fighters with the Beast runemark or both the Scout and Fly runemarks cannot make this reaction.
	<input type="checkbox"/> <b>[Double] Blaze of Glory</b> : A fighter can only use this ability if they have 15 or more damage points allocated to them. This fighter makes a bonus attack action.
 	<input type="checkbox"/> <b>[Double] Shock and Awe</b> : A fighter can only use this ability if an enemy fighter has been taken down by an attack action made by this fighter this activation. This fighter makes a bonus move action or a bonus attack action.
  	<input type="checkbox"/> <b>[Triple] Coordinated Strike</b> : Pick a number of visible friendly fighters equal to half the value of this ability (rounding up) within 9" of this fighter. Those fighters can each make a bonus move action or a bonus attack action (some can make a bonus move action and others can make a bonus attack action).
