Selection Rules

[Reaction] Slip Between Shadows : fighter can make this reaction when an enemy fighter finishes a move action within 3" of them. Note the distance between this fighter and the enemy fighter that made the move action. Remove this fighter from the battlefield and then set this fighter up on a platform or the battlefield floor no further from the enemy fighter that made the move action.

❑ **[Double] Shadow Leap** : Until the end of this fighter's activation, this fighter can fly when making move actions.

❑ **[Triple] Dance of Death** : Until the end of this fighter's activation, this fighter can finish disengage actions within 1" of enemy fighters.

❑ **[Quad] Ensnaring Darkness** : Either allocate a number of damage points equal to the value of this ability to all visible enemy fighters within 3" of this fighter, or allocate 3 damage points to this fighter and a number of damage points equal to the value of this ability to all visible enemy fighters within 6" of this fighter.
