 Necromancer	Leader	
Fighters		145pts
Deadwalker Zombie x10		50pts
Kosargi Nightguard x2		110pts

 Death – Soublight Gravelords [985pts]		
Selection Rules		
	[Reaction] Unfeeling Flesh : fighter can make this reaction when they are targeted by a melee attack action but before the hit rolls are made. Subtract 1 from the damage points allocated to this fighter by each hit from that attack action (to a minimum of 1).	
  	[Double] Necrotic Siphon : Pick a visible friendly fighter with the Soublight Gravelords faction runemark and the Minion runemark within 6" of this fighter. Allocate a number of damage points equal to the value of this ability to that fighter. Then, remove a number of damage points allocated to this fighter up to double the value of this ability.	
 	[Triple] Summon Undead Minions : Pick a friendly fighter with the Soublight Gravelords faction runemark and the Minion runemark that has been taken down. Set up that fighter up on a platform or the battlefield floor, wholly within 3" of this fighter. That fighter no longer counts as being taken down and has no damage points allocated to it.	
  	[Quad] Vanhel's Danse Macabre : Pick a number of visible friendly fighters with the Soublight Gravelords faction runemark and the Minion runemark up to the value of this ability within 6" of this fighter. Those fighters can each make a bonus move action or a bonus attack action (some can make bonus move actions and others bonus attack actions).
